FRIDAY MARCH 6th, 1942

NUMBER 45

## Honored Guests Day Next Wednesday

Invitations are printed and sent out to Raymonds Honored Guests for their annual dinner and party which will be held in the Stake House next Wednesday, March 11th. S. B. Card and D. A. Bennett are Chairman of the committee in the two Raymond wards, and they and their committees are busy organizing and preparing for this day.

"Honored Guests Day" is the year's highlight for many of our elderly people. They don't get out a great deal, and we seem to be living in a time when people don't have very much time or don't take very much to visit, and it is really an enjoyable day when these neighbors can gather and talk with their friends over what is and has been, and enjoy the splendid dinner, program, lunch and dance which the Committee provides each year.

The day is for all over 60, and the Committee would appreciate it very much, if any who may be overlooked in sending out the invitations, or who may not have been contacted, would accept this as an invitation to come to the Stake House and join with their friends and neighbors in "Honored Guests Day."

## Fashion Show Well Attended

Mrs. Margaret C. Ballingall representing Wabasso Cotton Company of Toronto, in co-operation with the Raymond Mercantile Company and the Women's Institute put on a fashion show and display in the Raymond Second Ward Recreation Hall Friday February 27th at 4 p.m.

Mrs. Ballingall gave a splendid lecture on what could be done with Wabasso Cotton Materials. Following this lecture about 60 dresses and costumes were modelled by local girls and kiddies.

A large crowd of over 500 attended.

A draw at the close of the program for one Wabasso Bed set was won by Mrs. Harry Robinson, then 10 Bunny Banks were won by the following:

Mrs. Joe Strong, Hazel Fawns, Elene Powelson, Mrs. Frank Leavitt, Mrs. Mauritz, Margaret Romeril, Mrs. J. H. Walker, Mrs. Ira McBride, Mrs. Joe McLean and Miss Beth Rankin.

The girls who modelled were: Kathaleen Hague, Retta Rasmussen, Maude Depew, Lois Fairbanks, Ruth Kitchen, Margaret Wing, Louise Allen, Beth McBride, Kay Stone, Margaret Stone, Denece Dahl, Peggy and Patty Rasmussen, Patricia Strong and Bunny Reber.

Lunch was served by the Women's Institute.

Cars Wednesday and Thursday after trips on the highways, looked as if they had received nice mud baths.

Some remodelling is taking place this week in the Mercantile Dry Goods and Shoe Department. Shoe stands are being built to hold all of the shoes, the dress department is being carried back the full length of the store where the shoe section has been, and the manager's office is being made larger. When completed the changes will effect quite a change in the interior of this part of this pioneer Raymond establishment.

## MUSIC CLUB MEETS

The Music Club held their meeting on March 2nd at the home of Mrs. Marie Strong with Dorothy Strong as assistant hostess. "O Canada" was led by Laverne Anderson with Marie Strong at the piano.

An article from the Etude "Helen Keller" was given by Eleanor Hudson.

Song practise by group "A Perfect Day."

An article on the origin of the "Lullabys" was given by Mrs. Emma Dahl, who also played several Lullabys.

Mrs. June Allred was a visitor. Lunch was served by the hostesses and next meeting will be held at the home of Mrs. Maybelle Anderson.

## MUNICIPAL DISTRICT ELECTIONS

Final returns from the polling throughout the district last Saturday for the election of a Council of five men for the new district, resulted as follows:

Division 1, Del Bonita and the country next to the border, J. S. Henry, Del Bonita.

Division 2, The Country on both sides of the ridge R. M. Matson, Magrath.

Division 3, Stirling and east of Raymond, Alonzo Nelson, Stirling.

Division 4, Welling and west of Raymond, Nels W. Peterson, Welling.

Division 5, Magrath and west Andrew Peterson Magrath.

Defeated candidates were: J. D. Brown, H. R. Snow, W. P. Meldrum and Geo. Dudley.

Returning Officer Geo. E. Court received final returns from Del Bonita and Twin River Thursday morning, but these returns did not make any difference to the standing of the candidates, and the above named will represent the new Council, and will meet in an organization meeting in Raymond on Friday next, March 13th.

## Egg Producers Hear Officials

Attended by about 50 egg producers and other interested parties, an interesting and valuable meeting was held in the Town Hall last Wednesday afternoon, when C. W. Travers, Poultry Commissioner for Alberta, and Mr. Nicholls of the Egg Grading department were here and after delivering their messages, answered numerous questions.

Mr. Travers was the main speaker and went into detail regarding the various grades of eggs and how to produce them, cooling the eggs after gathering, feed of the flock, chickens kept in confinement and those running loose and the difference it made in the eggs and importance of a balanced ration. Then with the egg grader eggs of the various grades were broken in to saucers and the difference actually shown.

Mr. Travers urged the setting up of an egg grading station here and stated that any man could learn grading in a week, and is sending detailed specifications to the sponsor of the Cheese Factory of an egg grading station. All present agreed it was one of the most valuable and instructive meetings they had ever attended.

## After The Struggle A Greater Peace

Sixteen of Raymond's twenty Rotarians most of them with their wives, motored to Lethbridge Monday night, to hold their regular meeting in connection with the Lethbridge Rotary Club and listen to an inspiring talk by International President Tom Davis, who came by plane from Calgary, on his way to Seattle to talk to the Lethbridge, Raymond and Cardston Clubs. The Marquis Hotel dining rooms were crowded with interested listeners who gathered for the event.

Most of President Tom's talk was on his visit to the British Isles and the wanton, unnecessary and evil destruction that had been wrought there by the Nazi bombing forces, and of the fine spirit and determination to win of the English people who through it all looked to the day when peace would be won and a greater Britain rise out of the ashes of the present slaughter and destruction.

He had visited Liverpool, London, Birmingham, Coventry, Cardiff, Swansea, Glasgow, Edinburgh and many other cities and had been received warmly by Government officials and Rotary officers in every place. He had visited the great ship yards, the docks, railway stations, parks, and so on to view the destruction that had taken place and repeatedly he said "the havoc wrought, and the effect on the people beggar description," and yet, said the speaker "I didn't find a man, woman or child, who had been beaten in spirit in the least by all this, and every Britisher would come and the rebuilding and here it was stated that a market was already guaranteed for all the cheese that could be produced. It was also stated that one of the best cheese makers in the province had offered to come here for the first six months of operation and train a local man in cheese making.

## Provisional Board For Cheese Factory Set Up

An enthusiastic meeting was held in the Town Hall Thursday night, attended by about 30 interested parties, where after a motion that a cheese factory be established immediately, a provisional board of nine was set up to gather and tabulate necessary information for both Dominion and Provincial Governments, and assemble data on equipment and whether or not it could be obtained.

Alvin Jones acted as Chairman and reported visits of himself and E. E. Jensen to the cheese factories at Glenwood and Coaldale and results of their investigations into cost of build and equipment, price paid for milk, profits of plants, financing of same, deliveries of milk and so on.

E. E. Jensen enumerated some of the information that must be provided Dominion and Provincial Governments before building permits and operating licenses will be issued, also gave statistics of production of Glenwood plant and said that he had been in communication with supply houses who had assured him they would do their very best to supply cans, and he felt because of the nature of the enterprise the Dominion Government would aid in obtaining the equipment.

An open discussion followed for an hour on number of cows now registered from which milk might be expected, prospects of increasing this. Size and capacity of proposed plant, operating expenses, market for product,

looking for the day when peace could commence."

President Tom said "a people who will not be beaten, can not be beaten." The British people will not be beaten and they are looking to the peoples of Canada and the United States to labor unceasingly to strengthen their hands for the hour of final triumph when the powers of evil shall be beaten. Rotary's job, said Tom is to guide the thinking of the world to a plane where international disputes will be settled by arbitration and not by war, and where this ugly thing, this outmoded thing, called war will be outlawed not by laws passed by governments, but by the demands of a people who love peace and who want to live in peace and international understanding and good will with their fellow men.

In passing the speaker stated that Rotary was growing every day. Despite the fact that Rotary Clubs in 15 belligerent nations had been asked to cease operations, Rotary today had 5,070 Clubs with a combined membership of more than 210,000 legal professional and outstanding men in these 5,070 communities, and it was a force that was making itself felt for good throughout the world. The large crowd stood amidst a vigorous handclap as a tribute to President Tom and his wife at the conclusion of the talk and when the meeting dismissed many who had previously met the President went up to the front of the room to shake hands and renew acquaintances again.

## Raymond Jacks Nose Out Magrath Lions 37-31

### New Goal Set

In a final spurt toward an increased mark of \$900,000,000 the second Victory Loan Campaign has been intensified to build up highest possible subscriptions in last two or three days of drive. Cumulative date of Victory Bond purchase was announced Thursday to be \$656,000,000 as of close of business Wednesday. This amount was invested by \$65,497 subscribers, compared with 646,580 at the same stage of the first Victory Loan drive last June. Campaign is now stressing urgent need of every possible dollar or over subscription and appealing to all Canadian to register new or additional subscriptions before the Loan Closes Saturday night.

Throughout the L.D.S. Church last Sunday night, the Explorer boys and the Junior Girls put on the program in the M.I.A. Conjoint and both Raymond wards report very interesting programs with the boys and girls acquitting themselves very creditably as musicians and speakers.

## Loan Goal Raised To \$900,000,000

Canada's second Victory Loan went over the top Tuesday night when sales totalled \$615,298,750 from 788,727 Canadians putting their names on the dotted line for bond subscriptions. Good work Canada, we've done it again.

Loan officials announced as soon as the mark was reached, that the total was to be pushed up another \$300,000,000 and canvassers are still busy across the Dominion to try and reach the new mark. Will we do it? We can if we will.

Locally, the second pennant was tacked to the flag pole Thursday morning, and the Organizer, Rulon Dahl, felt that when the subscriptions from the Hutterite colonies had been received that we would have more than double our quota of \$42,000, and subscriptions are still coming in, the break in the weather making it possible now for district canvassers who have been held up by cold and snow to cover their territories and add to the total. come on Raymond, let's "up and at 'em."

Thursday morning our district total was \$63,350 and some of the outside districts had just started to turn in their collections. The Hutterite colonies have not yet made their purchases.

We should add a word of commendation to the canvassers. All those in this district who have been soliciting loan subscriptions, have done so entirely at their own expense. All commissions on the Bond sales will be pooled and will be given to the Red Cross or the funds of some other war effort. Some have criticized some of the canvassers. It has been suggested that any who think they could do better go to the local Victory Loan office and get a kit and try it themselves.

Any who have not been contacted by canvassers, and want a bond can make their purchase at the Knight Sugar Co. office. This would also save effort on the part of the canvassers. This is our chance to show our loyalty and devotion to our country

Raymond Jacks and Magrath Lions met Wednesday night in the first of a best three out of five series for the Alberta Championship, and Raymond nosed out a win by a six point margin after one of the closest and most interesting games ever played between these two teams. Both teams have played better ball than they played this week, but this year, with enlistments, and men dropping from the teams, it seemed to make the strength of the two teams about even, and Wednesday night the fans were kept on the edges of their seats thru out the entire forty minutes of play.

They were tied at 6-6 again at 8-8, and at 18 minutes Magrath lead 12-11 and the first canto ended in favor of Magrath with a 17-14 score, the last goal being made with the ball in the air as the whistle sounded. After the breather, checking was very close and after 10 minutes of play in the second frame Magrath lead 25-23, then Raymond put on a spurt and tied the count at 27-27, and then in the next minute slid into the lead at 27-29 and maintained the lead from there on in, although the Lions kept within striking distance all the way and never let down for even a second.

Hansen from Cardston and Leishman from Hill Spring were selected by Organizer Chessman of Cardston to referee the series and they did a fine job. Wednesday night. There were complaints from both captains about some of the close decisions, but everyone felt they had done a fine job of refereeing. They tooted up 18 personals against the Lions and 13 against Raymond, and Magrath lost Toomer a few minutes before the final bell when he received his quota of personals. When final time sounded three of the Magrath boys and two of the Raymond players each had three personals checked against them. One fault checked closely on was jumping into the ring on foul shots and toss ups, and one or two penalty shots and several throw ins were given to the teams on account of this.

Friday night the scene of batle moves to the High School gym in Magrath and from the hard fought battle here a capacity crowd is expected to see the game there.

Following is the lineup and score Wednesday night.

Magrath: B. Bourne, 4; Sabey, 2; L. Bourne, 2; Blumell, 3; Toomer, 7; Rich, 8; Pilling, 5; Miller, Coleman; Leishman. Total 31.

Raymond: Nalder, 13; Stone, 12; West, 6; Evans; Turner, 5; Heggie; Nilsson, 1; Rolfson. Total 37.

### LIONS MEETING

The Raymond Lions Club held their regular meeting in the Sugar Bowl on Monday March 2nd at 7:30 p.m.

After singing "O Canada" the roll was called and 35 members and 1 visitor were present. Prayer was offered by Lion Myron Holmes.

Lion Rulon Dahl was appointed Tail Twister for the evening. Community singing was enjoyed by the members led by Lion J. McLean.

Lion R. Fansett entertained the club with some moving pictures of Eastern Canada.

The meeting closed by singing the National Anthem.

### WHERE WE LIVE

That suggestion that is asked when suggestion are made, the Japanese citizens now at the coast be moved into Alberta from the prohibited zone. There is no place nor room for them on the part of local people toward these people who must be moved into other areas out the feeling is that they should be only permitted in on temporary permits, and that when war is over they be returned to the coast to their own surroundings.

Raymond has a Japanese colony of around 150 people some whom have been here for as

long as thirty-five years. These people who came here when the first Sugar Factory was built and who have been here ever since, have raised families who are Canadian through and thru, and several of the young men are in the service of the Canadian forces and are giving very good accounts of themselves. They are proud of Canada and Canada is proud of them as citizens. Amongst these Japanese are some of the best beet growers, and farmers in the district, they are law-abiding, they pay their bills, and they are self-supporting in every respect.

One of the main arguments for encouraging Japanese to come into the district is the beet work. Locally it is felt that this is unnecessary. We have many young men and women too, who would be glad of the opportunity to assist in this seasonal work, and who are thoroughly dependable. These people would take a certain amount of pride in assisting in this way to do their bit, and the money they would make would come in very handy to boys and girls in school who it seems are always needing something.

The question creates its problems. Many of our local Japanese have relatives and friends at the Coast, and naturally those here are desirous of seeing that their kin and their friend are placed in safety and where they can get work. To date Wednesday afternoon, 8 new arrivals have been reported one family of five, and three men without families. All had relatives here, and these relatives guaranteed the keep of these and work for them.

Canadian citizens can go where they choose, so long as they obey the law and maintain their allegiance to the Crown. Local people feel that the least we can do to show some appreciation of the men in uniform is to see that when they return home the land, of which they may wish a piece, is not taken up by people who are subjects of those who have been our enemies. In our opinion this position is fair, certainly it is justified and all good Canadians should lend their weight to any movement that will aid in keeping the matter in control, and handled so that when Victory comes one will be disappointed if these

### NEWS NOTES

Rulon Dahl, Lloyd MacPhee, Dick Walshe and others were in Lethbridge on matters in connection with the Victory Loan last Tuesday.

The Chinook really got to work Wednesday afternoon and the snow disappeared quite fast. It is the first time for a month that bare ground has been seen.

New licenses are decorating a few local cars now. These owners are quite anxious to get their applications in for their gas rationing books before the dead line. The plates are white numerals on a dark blue back. Henry Jensen's car wore the first new ones we noticed in town.

visitors are asked to return to whence they came. Local bodies are working now on a request for some sort of regulation that will handle this situation fairly to all and will still not create a situation where safety of Canadians may be in the least imperiled.

Another Friday the 13 next week. Don't walk under any ladders.

Tomorrow is your last chance to get on the roll of purchase of bonds in the present drive. Don't let your country down. "Come on Canada buy the new Victory Bonds."

The Stake M Men and Gleaners party is being held in the Stake House Saturday night. A good attendance from the neighboring wards is expected by those in charge.

Some feeders have been hauling pulp from Picture Butte to supplement what they have been able to get here. Increased feeding operations have made rationing necessary for six weeks past nearly.

The Taylor Stake M Men and Gleaners are having their Stake social Saturday night in the Opera House. An evening of dancing, program and a lunch will keep the young men and women of the stake busy that evening.

Jas. J. Walker, M.L.A. was home over the week-end, and returned to Edmonton on the evening train from Lethbridge Monday.

Our Town Council surely have their troubles with water. One day it is too little in the mains under the ground, and the next day if a Chinook comes it is too much on the streets and sidewalks on top of the ground. Monday while the drainage water was almost flooding the King Grace out, John Bascom casually remarked "It looks like it's L.D.'s turn to take the water."

**BONDS OF FREEDOM**

*or Shackles of Slavery?*

CANADIANS never shall wear the shackles of slavery. This is the stern determination of every man and woman in the Dominion.

But Freedom must be fought for—and paid for.

Today, more weapons, more equipment are a dire necessity. Victory Bonds will help supply them.

All those serving at the battlefronts are relying on our support. Back them up with Victory Bonds.

Remember, every Victory Bond you buy is a sound interest-bearing investment, secured by the nation's entire resources.

### AT LAST WE REALIZE

Editorial from Country Gentleman, Philadelphia, Pa., Issue of February, 1942

The weeks of war behind us have given clearer shape to our common task. It is now apparent to everyone that the strength of the enemy in the Pacific was seriously underestimated. Moreover, the nation understands at last what it is fighting for and what it is fighting against.

In our issue of May, 1941, months before we were forced into the war, we said editorially: "It is no ordinary war. It is a contest to the death between two ways of life. One of them represents our inborn hopes and principles the other almost everything contrary to them." Events both before and after have made this fact starkly evident. The acts of Hitler, Mussolini and the Japanese have all been of the same pattern. They constitute a ruthless assault upon civilization by criminal elements in the world, motivated by greed for power and unrestrained by any morality.

Criminals have always had the initial advantage over the forces of law and order, because they know how and when they will strike and lay their plans accordingly. The Japanese, like the Nazis, had been girding their country for years for world aggression. They had built a powerful war machine in complete disregard of international treaties. We now know this to be true, but we didn't know it before the treacherous attack on Pearl Harbor.

The reverses suffered in the early months of this war are a tragic testimonial to the unrealistic attitude which we Americans have held toward the world at large. Because we are essentially kind and decent folk, we have been reluctant to believe that the reverse could be true of other peoples. Moreover, we have been complacent about our

## Raymond Credit Union

The organization meeting of  
the Raymond Community Sav-  
ings and Credit Union, Limited,  
was held in the Raymond Second  
Ward Hall on Friday, Feb. 27,  
with J. O. Hicken Acting as  
Chairman and S. J. Weaver as  
Provisional Secretary.

Credit Union affairs were dis-  
cussed and the following officers  
were elected:

Board of Directors: Athol M.  
Cooper, Ross Larson, S. J. Weav-  
er, Ken. Stone and G. J. Gibb.

The Board of Directors ap-  
pointed the following:

President—Athol Cooper.  
Vice-Pres.—Ross Larson.  
Sec.-Treas.—S. J. Weaver.  
Credit Committee—Ken. L.  
Stone, G. J. Gibb and S. James  
Weaver.

Supervising Committee: L. L.  
Harker, J. O. Hicken and Warren  
L. Jones.

The officers were elected to  
hold office for one year.

The Raymond Community  
Savings and Credit Union is now  
ready to commence business as  
soon as their books arrive. Any  
one interested in joining the  
Union may get in touch with a  
member of the Board of Direc-  
tors any one of whom will be  
glad to explain the set up.

Raymond

Raymond and Magrath sen-  
iors are in the midst of their  
playoffs for Provincial honors.  
We hope the teams get through  
the series with out any unpleas-  
ant arguments.

Raymond High School defeat-  
ed Stirling 34-24 in a divisional  
play off game Friday night last.  
The local High School band  
made its premier appearance in  
public at this game and entertain-  
ed the crowd with a couple of  
numbers.

A typical March blizzard blew  
up about 5 p.m. Thursday nite  
and for three hours it howled  
across the country. visibility  
being limited to just a few feet  
at times. About 8 it stopped  
and the night was quiet with  
a north wind.

Because of some cases of  
Chicken Pox amongst its stud-  
ents, Mrs. Amy Allen's kinder-  
garten class has not been meet-  
ing this week. No serious illness  
is reported.
